[TESPG154-269] [BrainWake] Check the snooze switch is working Created: 11/Mar/23 Updated: 11/Mar/23

Status:	To Do
Project:	Test_Project_G154
Component/s:	None
Affects Version/s:	None
Fix Version/s:	None

Type:	Test Case	Priority:	Medium
Reporter:	Oleksandra Anhel	Assignee:	Unassigned
Resolution:	Unresolved	Votes:	0
Labels:	None		
Remaining Estimate:	Not Specified		
Time Spent:	Not Specified		
Original Estimate:	Not Specified		

Description

Preconditions:

Completed onboarding

Steps:

1. Open the app "BrainWake".
2. Tap on the "Plus" button to add the alarm
3. Choose time
4. Tap on the switch located on the right side of "Snooze" section
5. Check if additional settings to edit snooze options appear
6. Tap on the switch located on the right side of "Snooze" section
7. Check if additional settings to edit snooze options disappear

Expected result:

Snooze switch is working, showing and hiding additional options to edit snooze

[TESPG154-265] [BrainWake] Check the app is showing information about next alarm time Created: 11/Mar/23 Updated: 11/Mar/23

Status:	To Do
Project:	Test_Project_G154
Component/s:	None
Affects Version/s:	None
Fix Version/s:	None

Type:	Test Case	Priority:	Medium
Reporter:	Oleksandra Anhel	Assignee:	Unassigned
Resolution:	Unresolved	Votes:	0
Labels:	None		
Remaining Estimate:	Not Specified		
Time Spent:	Not Specified		
Original Estimate:	Not Specified		

Description

Preconditions:

Completed onboarding

No alarms

Steps:

1. Open the app "BrainWake".
2. Tap on the "Plus" button to add the alarm
3. Choose time
4. Tap "Save" button
5. Check if the "Next alarm in ** hours ** minutes" is shown
6. Check if countdown is working
7. Tap on the "Switch" button, located on the left side of the alarm created
8. Check if "No active alarms" message is shown
9. Tap on the "Switch" button, located on the left side of the alarm created
10. Check if the "Next alarm in ** hours ** minutes" is shown

Expected result:

App is showing information about next alarm time if switch is in "on" state

16. Check if the statistics is shown correctly

Expected result:

Statistics collects and stores the correct data

[TESPG154-262] [BrainWake] Check banner information and appearence Created: 11/Mar/23 Updated: 11/Mar/23

Status:	To Do
Project:	Test_Project_G154
Component/s:	None
Affects Version/s:	None
Fix Version/s:	None

Type:	Test Case	**Priority:**	Medium
Reporter:	Oleksandra Anhel	**Assignee:**	Unassigned
Resolution:	Unresolved	**Votes:**	0
Labels:	None		
Remaining Estimate:	Not Specified		
Time Spent:	Not Specified		
Original Estimate:	Not Specified		

Description

Preconditions:

Completed onboarding

Steps:

1. Open the app "BrainWake".
2. See the green banner "Learn more with Premium" in the upper part of the app
3. Tap on the banner
4. See information about premium features
5. Check if the banner "Learn more with Premium" is not present on the information about premium features window
6. Check if the information about premium features is correct and corresponds with requirements and documentation
7. Tap on "Start My Free Week" button
8. Check if "Start My Free Week" button leads to the modal window asking for your credentials to use after the trial week will expire
9. Tap on "Already paid?" button
10. Check if "Already paid?" button leads to the modal window asking for your credentials to recover previous purchase
11. Tap on the "Back" icon, located in the upper left corner of the app
12. See main screen
13. Tap on the "Stats" tab
14. Check if the banner "Learn more with Premium" is not present on the "Stats" window
15. Tap on the "Settings" tab
16. Check if the banner "Learn more with Premium" is not present on the "Settings" window
17. Tap on the "Home" tab
18. Tap on the "Plus" icon
19. Check if the banner "Learn more with Premium" is not present in the "add alarm" window

Expected result:

Banner is shown only on the main screen in the top with correct information about difference between free and premium features. All buttons lead to modal windows with corresponding requests to be filled by user

[TESPG154-260] [BrainWake] Check premium feature recovering Created: 11/Mar/23 Updated: 11/Mar/23
